Thanks Holly!

We had upwards of 150 at our first Rapid City hearing on DB yesterday including local TV and radio press. About 40 folks spoke on the record and all but one spoke in opposition. Overall, the tenor was good but at times very emotional.

Had a good conversation with Mary and Kurt last week on how to respond to/refer questions on Crowe Butte to them.

Three more days of hearings to go here in Rapid City and Hot Springs and Edgemont. Will catch up after this week.

Douglas
